

HOW DOES THE “FASHION WITH A PASSION” SWAP WORK?

There will be TWO categories of fashion merchandise accepted for the “swap”. GENERAL FASHION and BOUTIQUE. We request that all Boutique items (with a retail value of \$500 or over) be contributed as early as possible and at least 3 days before our event. We have designated special Committee Members who you may contact to arrange pick up of your items or you may make arrangements to deliver them to the Committee Member near your area. You will receive a receipt for the items when they are picked up and you will bring the receipt to trade for “swap” tickets at the check-in table at the entrance to our “Fashion With A Passion” event. (If you have both Boutique and General Fashion items to contribute, the Committee will be happy to accept general fashion items early as well.)

The following Committee Members have been designated to pick-up and receive your Boutique and General Fashion merchandise.

The Ticket System

To ensure everyone has a fabulous time, a colored coded ticket system will be used. The ticket system will allow you to swap fashion items for near or equal value to what you have brought to the "Fashion With A Passion" Swap Party. NOTE: (It is very important that you try to find an item or items that you want to take home with you. However, MAWTC does not guarantee that you will take home any item with you or any item that is of equal value to an item you brought to swap.)

When you submit your items, you'll be given the same number of tickets in return, each ticket entitles you to one swap item. Only guests contributing items to "swap" will be able to participate. Other guests who are unable to bring items to "swap", may participate in all other event activities including the Auction of a selected group of remaining items at the conclusion of the "swap".
